July 15, 2020

Dear Youngker Community:

Welcome back to a new school year! We are excited to continue our educational journey with our community as we embark on the 2020-21 school year. We are looking forward to serving our students and extended community once again. I am honored to serve as principal of Youngker High School and am excited to work with our administration team, which is comprised of our assistant principals Mrs. Williams, Mr. Epley, and Mr. Kinney.

We are currently planning for the start of the new school year in conjunction with the district and are working collectively to create a safe and effective learning environment. Further details and plans will be coming out as we progress throughout the school year.

We will be moving forward with registration and laptop distribution beginning on July 21 and ending on July 31. Specific dates and times are listed below.

### Dates and times for student registration and laptop pickup

Registration will consist of a process that is focused around safety and efficiency. Keeping students and families in their cars is an absolute must. The registration process will begin on 7/21 and conclude on 7/31. Unlike past years of open registration, this year we will be assigning the grades to specific days. **Please see below for dates and grades:**

7/21-7/22: **Seniors**

7/23-7/24: **Juniors**

7/27/7/28: **Sophomores**

7/29-7/31: **Freshman**

\*Registration times are from **8 a.m. - 12 p.m.**, closed for lunch from 12 p.m. - 1 p.m., and back open from **1 p.m. - 3 p.m.\***

We have built in an extra day for the freshman class. Essentially, the registration process will take place in the east parking lot (admin/faculty lot) and begin in front the Performing Arts Center, where laptops, ID's and Student Paperwork will be handed out when a student drives up. Students and families who have paperwork to fill out will be directed to park in the center stalls of the parking lot and once their paperwork is completed allowed back in the front of the line to turn it in. We encourage parents to fill out the required paperwork in advance to expedite the process when on campus. Students will also be asked to log onto their laptops during this time to check network connectivity. No class fees will be paid at this time.

If you have any questions, please feel free to contact us at 623-474-0100.

Sincerely,

Michael Sivertson, Ed.D.  
Youngker High School Principal
