

## STRATEGIC PLAN

**MISSION:** BUHSD is committed to success for all students by providing a safe, engaging, and relevant educational experience.

**VISION:** To graduate students who are ready to pursue and achieve their postsecondary goals in life.

### *Positive, Healthy, and Safe School Learning Environments*

1

Provide physical, mental, and emotional support that promotes the safety and well-being of both students and staff as a high priority.

Develop and maintain a school culture where students, staff, and administration value building genuine relationships that create positive school environments.

Prioritize and ensure safe physical and structural environments where the safety and well-being of all students and staff is demonstrated.

### *Valuable District Career Development*

2

Promote continuous professional learning and improvement through an inquiry-based, growth-focused, and results-oriented approach to professional engagement for all employee groups.

Provide professional development opportunities that promote collaboration among employees with an emphasis on student-centered decision making.

Build user satisfaction with technology by providing the tools, resources, and professional development needed to be more efficient and productive.

### *Beneficial Educational Partnerships and CTE Programs*

3

Provide rigorous and relevant curriculum that engages all students in learning opportunities that help them define a career pathway.

Develop our district capability to engage our community in supporting our students' educational and career goals through business and community partnerships.

Expand community workforce opportunities that promote learning and career opportunities to support all students in their post high school aspirations.

### *Effective use of District Resources in our Growing District*

4

Create and maintain an environment where all stakeholders feel welcomed and valued as part of BUHSD.

Maximize efficiency in prioritizing the district's financial and human resources to meet the needs of our diverse community to ensure district growth initiatives are met.

Expand our district's physical space, as well as human capital, to stay in front of the growth coming to our district to ensure that students' educational needs are being met.

### *Effective and Efficient Communication*

5

Promote timely, accurate, and open exchange of information with students, parents, staff, and the greater Buckeye and Goodyear communities.

Build a sense of community by communicating positive district news and events to the greater Buckeye and Goodyear communities.

Embrace community involvement in our schools that benefits students and families, as well as local businesses and industry.
